

Case Study: Ladbrokes, Upper Borough Walls, Bath

Contract Value £72,000

Time Scale: 5 Weeks

This project for Ladbrokes involved detailed works on this Grade II Listed building within the heart of historic Bath. We completed shop fit in a 5 week period including a major retail strip out.

Scope of works are as follows:

1. Repair to king truss to open plan vaulted timber roof
2. Remove our building with in a closed court yard area and re-form roof with access incorporating adjacent shop.
3. Major repairs to Grade II listed shop front.
4. Form scaffolding to front of building to allow for store work repairs within parapet walls.
5. Form specialist LCD Gantry with corner section of store
6. Install electrical and HVAC to clients specification.
7. Complete store fitout utilising client specification fixtures and fittings.
